

# diy Geometrica Treat Box

BY LUPA & PEPI

## ingredients.....

### TOOLS YOU'LL NEED

white cover stock (1 sheet per treat box)  
scissors  
glue stick –or– double-sided tape  
bone folder (*optional*)

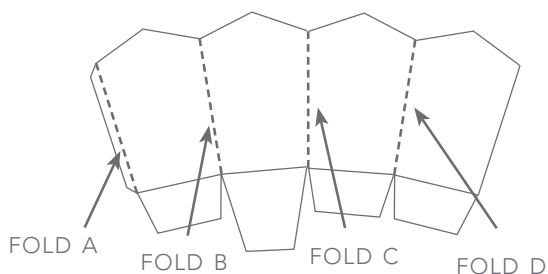

### GET CREATIVE WITH

personalize boxes with your guests' names  
use complementary tissue paper for lining

## step-by-step .....

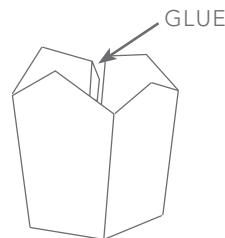

### STEP #1

Cut out the flat treat box & crease folds A through D. Sharpen the folds with a bone folder (*optional*).

### STEP #3

Apply glue or double-sided tape on the left tab (indicated on template). Attach the tab with adhesive to the opposite side to seal the box.

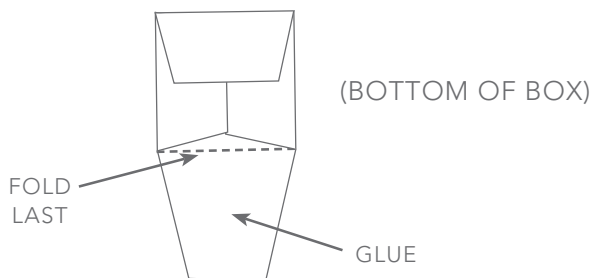

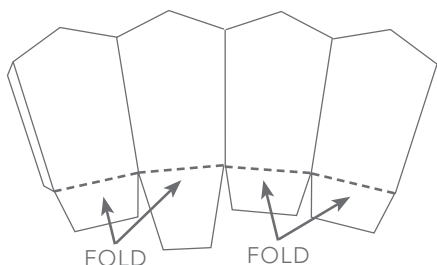

### STEP #4

Create the bottom of the box by folding in the blue tabs. Apply glue or double-sided tape to the bottom of the large tab & fold it in to seal the bottom.

### STEP #2

Fold the bottom tabs of the box. Sharpen the folds with a bone folder (*optional*).

### STEP #5

The box is ready to hold treats for your party guests! Buon divertimento!

CUT OUT ALONG DASHED LINE  
THEN FOLD A THROUGH D AS  
INDICATED IN STEP 1.
